These are some of the activities implemented by the
Municipality in order to enhance tourism

They have brought to a steady growth of arrivals and
overnight stays

At the moment

120.000 arrivals and 220.000 overnight stays

What about BRAND-EU?

The Municipality is working hard in order to make up a
local marketing strategy, but:

Are we moving in the right way?

What are the other municipalities doing?

How can we evaluate our efforts?

Comune di Forlì

Thank you!
